Outdoor RGB+CCT LED floodlight - 30W - RF/WiFi - IP65 -Mi-Light
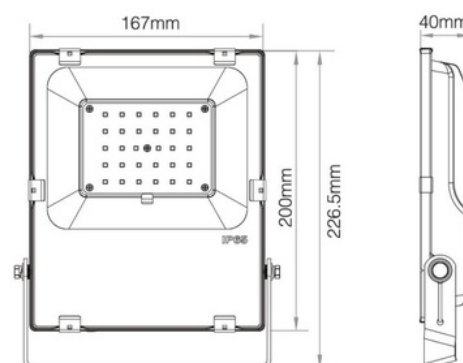

Ref. FUTT03

Smart RGB + CCT LED projector made of high-quality aluminum, with an IP65 protection rating, suitable for outdoor use. With a power of 30W, it offers a luminous flux of 3300lm. Offers a variety of 16 million customizable colors, along with brightness and color temperature adjustments to suit various preferences and environments. Compatible with RF RGB + CCT remote controllers and remotes from MiBoxer / Mi-Light.

Product data

Opening angle (°)	160
Certs	CE, ROHS
Energy efficiency class	F
Connectivity	Wifi, RF
CRI	80-85
Dimensions (mm) LxWxH	167 x 226.5 x 40
Dimmable	Yes
Control distance	30 minutes
Efficiency (Lm/w)	110
Projector Range	RGB
Guarantee	According to legal warranty: 3 years
IP	IP65
Kelvin (K)	2700 - 6500
Lumens (Lm)	3300
Assembly	Surface
Orientable	Yes
Power (W)	30
Temperature range	-20°F ~ +45°F
Sensor	No
Nominal Voltage (V)	220 - 240 V AC
Key	RGB+CCT
Outdoor Use	If

Recommended Use	Garden, Hotels, Fascias
