RGB/RGBW LED strip controller with 150W power supply - 24V DC - WIFI+2.4G - IP67
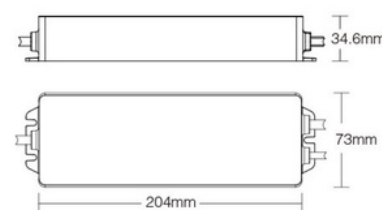

Ref. WP4-P150

MiBoxer waterproof LED strip controller with built-in 150W power supply. With dual functionality, it acts as a controller allowing adjustments for brightness, saturation, color temperature, among others, and as a power supply it is compatible with 24V LED strips, up to 150W of power and a current of 6.25A. It is compatible with RGB and RGBW LED strips. It can be controlled via WiFi through the TUYA app, voice devices like Alexa and Google, or by using a compatible remote control (2.4GHz RF). Furthermore, its IP67 protection rating makes it suitable for outdoor use

Product data
