

Magnetic linear track light - RGB + CCT - 6W -UGR18 - Mi Light - White

Linear spotlight for magnetic track with a power of 6W, featuring a modern design and great versatility. It installs easily by pressing the base onto the rail, without the need for tools. It offers multiple color options thanks to its RGB system and CCT system that allows adjusting the white temperature, from warm white to cool white. The control of color, hue, brightness, and saturation is done via the compatible "Mi Light" remote. Its low glare rating (UGR18) ensures high visual comfort for users. It operates at 48V, making it safe for children and pets.
