

Magnetic linear track light - RGB + CCT - 12W - Mi Light - White

Linear spotlight with opal diffuser for 12W magnetic track, featuring a modern design and great versatility. It installs easily by pressing the base onto the rail, without the need for tools. It offers multiple color options thanks to its RGB system and its CCT system allows for adjusting the white temperature, from warm white to cool white. The control of color, hue, brightness, and saturation is done using the compatible "Mi Light" controller. With its wide light opening angle (120°), it provides general and ambient lighting.
