

Adjustable linear track light - RGB + CCT - 12W - UGR18 - Mi Light- White

Linear spotlight for orientable magnetic track, 12W power, with a modern and highly versatile design. It installs easily by pressing the base onto the rail, without the need for tools. It offers multiple color options thanks to its RGB system and CCT system that allows the adjustment of white temperature, from warm white to cool white. The color, hue, brightness, and saturation control is done via the compatible "Mi Light" remote. Its low glare index (UGR18) ensures high lighting comfort for users. It operates at 48V, making it safe for children and pets.
