

Solar LED bollard with stake "FELICE 200 SPIKE" 18cm with PIR sensor - 3 modes of operation - CCT

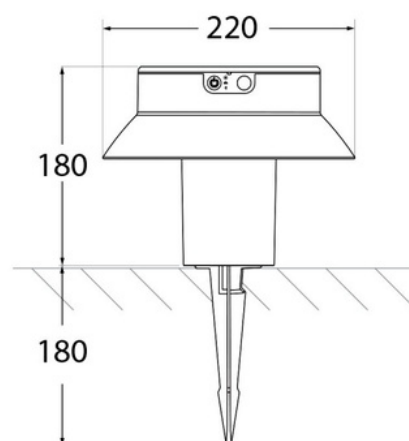

Ref. FE1.572.000.A0S1KOP2

LED garden solar bollard with stake from the Italian brand FUMAGALLI, with a motion sensor and replaceable battery. It is made of impact-resistant resin, corrosion-resistant, and UV degradation resistant. Perfect for illuminating gardens, terraces, or as a light point in any outdoor space. It is installed by being driven into the grass, sand, or soil. Incorporates a CCT system that allows you to adjust the color temperature between warm white, cool white, and neutral white. In addition, it has 3 operating modes: summer, winter, or sensor. It is a luminaire with Class III protection and IP55. Available in black color with opal reflector.
