

BISSO/ROSETTA" wall-mounted solar garden lantern with PIR sensor - 2 operating modes - 4000K

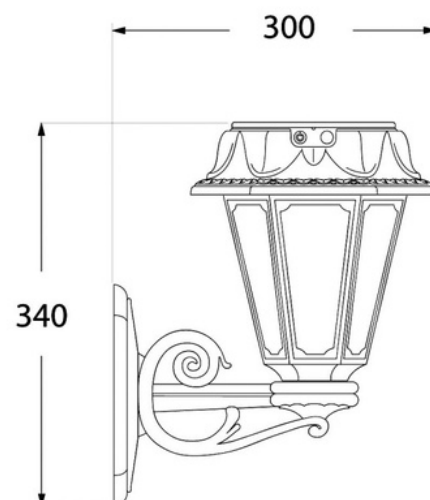

Ref. R22.131.000.AFS3L

LED solar garden lamp from the Italian brand FUMAGALLI, featuring a classic design with a motion sensor and a replaceable battery. It is made of resin resistant to impacts, corrosion, and UV degradation. Suitable for wall installation. Incorporates a CCT system that allows you to adjust the color temperature between warm white, cool white, and neutral white. In addition, it has 3 operating modes: summer mode, winter mode, and sensor mode. It is a luminaire with Class III protection and IP55. Available in black color.
