

LED wall light for pictures with rechargeable battery - Dimmable - 4W - 34cm

Apply for Dimmable LED Panels - 4W with a slim and elegant design, featuring a built-in rechargeable battery. Offers bright and even lighting, without shadows or glare. It allows every detail of the work to be highlighted with precision and clarity, revealing nuances and textures exceptionally. Its installation is very simple and, as it does not require an electrical connection, it is ideal for temporary or traveling art exhibitions. Available in bronze, black, and chrome.
