

USB Flexible wall reading light "LONDON USB" - CREE Chip - 3W

The "LONDON USB" wall scone is specially designed as a reading scone for the headboard of a bed. It features an adjustable flexible arm, a 3W LED bulb, and a USB port to connect any compatible device. It emits light in a warm white tone (2800K) with a luminous flux of 450 lm. It stands out for its high-quality finishes and the warm touch provided by the wood. Available in black and white colors.
