

Flexible wall reading light "LONDON" - CREE Chip - 3W

The "LONDON" wall lamp with flexible arm is specially designed as a reading light for the headboard of the bed. It features a flexible, adjustable arm and a 3W LED light. It emits light in a warm white tone (2800K) with a luminous flux of 450 lm. It stands out for its high-quality finishes and the warm touch that wood provides. Available in black and white colors.
