

## Cover for surface profile 17x8mm with 60° optical diffuser (1pc)

Lateral cover for 17x8mm profile when used with the optical diffuser 60°. You can choose between: - Cover with hole: It is installed at the beginning of the profile. It has a hole through which the wiring of the installation passes. - End cap: It is placed at the end of the profile when you finish the installation. This way everything is closed off and you protect the strip.
