

Metal lantern for table or hanging "ADID".

Ref. LV273

GALVANIZED LANTERN ADID. The table lamp or hanging Adid lantern is inspired by a vintage touch with a galvanized trend to decorate any type of retro or industrial aesthetic environments. Its maximum power is 60W. It has a frequency of 50Hz. Its voltage is 230V. Regarding the dimensions, it has a height of 430mm and a width of 240mm. It has a on-off switch in its wiring that is gray. We recommend combining it with vintage style light bulbs [1] (always socket E27) to give it a unique atmosphere. *DOES NOT INCLUDE BULB* [1]
