

LED hood 30W special for fish and seafood

Special order sale - Contact us to inquire about delivery times. [1] The 30W circular LED bell lamp is specially designed for fish markets and seafood stalls, as it enhances the color of your displayed products in your showcases and displays thanks to its specialized chip that highlights the color of seafood and fish. It is specifically designed for professional use, both for small and large retailers, aiming to properly illuminate products in a realistic and attractive manner for customers. It is available in several colors: red, blue, and yellow. [1]
