

8W

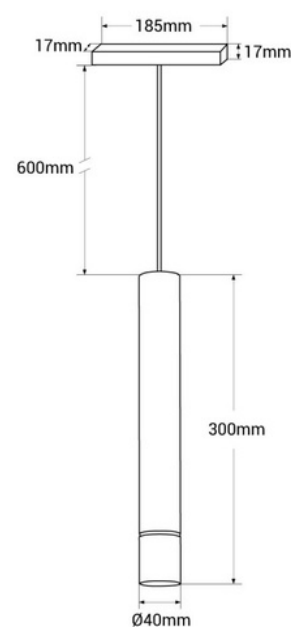

Suspension LED spotlight for magnetic rail 48V - 8W - Gold Line

Our LED suspension spotlight for magnetic track is a state-of-the-art luminaire with a modern design. Provides accent lighting with low glare index (UGR16) and a high color rendering index (CRI>90). Its installation is very straightforward and does not require the use of tools, which offers great versatility as it can be combined with other fixtures and easily rearranged on the track. It works at only 48V, therefore it is safe for children and pets. Available in warm white (2800K) and neutral white (4000K)
