

Outdoor LED solar spotlight with stake - 1W - IP65

Outdoor solar spotlight with original owl design. It features two LED lights of 0.5W each (1W total) and a solar panel that allows for recharging its internal battery. The battery charges automatically during the day and has a runtime of up to 12 hours. At night, the lights turn on automatically. It incorporates a spike that allows for easy and secure installation in the ground, lawn, or pot. Available in warm white (3000K) and cool white (6500K).
