

LED spotlight with spike 6W 480lm 230V IP65

Ref. L5044

Outdoor spotlight with integrated LED of 6W power and 480 lumens of luminous flux. It emits light in neutral white 4000K. It is constructed in a weatherproof housing, with an IP65 protection rating, suitable for outdoor environments with rain, humidity, dust, and dirt. The head is tiltable and allows for light orientation. Includes a stake / spike made of PVC, 14cm long, and a 50cm connecting cable without plug. The LED spotlight with spike is perfect for installation in gardens, terraces, patios, and planters, as the stake allows you to insert the spotlight into the ground and position it anywhere. Includes tinted crystals to emit orange or green light. 6W - 230V 480 lumens Ø58x77x245mm IP65

Product data

Certs	CE, ROHS
