

LED spotlight with spike 3W 230V IP65

Ref. L5042

Outdoor spotlight with integrated 3W LED lighting consuming 240 lumens of intensity. In white light 4000K. Made of a plastic housing with IP65 waterproof protection, suitable for withstanding rain, humidity, dust, and dirt. The head is adjustable so the light can be directed. Includes a 14cm PVC stake and a 1-meter connection cable with plug. The LED stake is perfect for installation in gardens, patios, or planters, as the stake allows it to be driven into the ground and positioned in any location. Includes tinted crystals to emit orange or green light. 3W - 230V 240 lumens Ø42x60x235 IP65
