

Three-phase LED track spotlight CCT 42W - CRI 95 - Integrated Philips Xitanium Driver

LED spotlight for three-phase track that stands out for its striking compact design and its high-quality driver Philips Xitanium "intrack", integrated into the same connection piece of the spotlight to the track. Its powerful COB LED light beam precisely illuminates details, with a high color rendering index (CRI=95), allowing for the natural display of true colors. It features a 360° rotating body and a 45° focal light angle, providing an ideal spotlight to highlight objects or products. In addition, its CCT system offers the ability to adjust the color temperature, allowing you to select the type of light that best suits the needs of each project. ** 5-Year Warranty **
