

RGB Flexible LED Neon - 24V/DC 4x10mm - 5 meters - Complete Kit - IP67 - 20W/m - Side bend

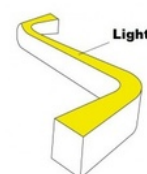

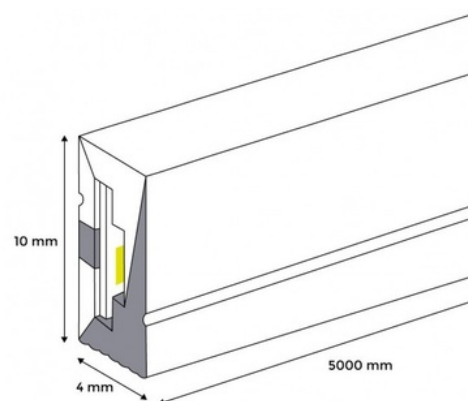

Ref. N410-5M-RGB

Flexible RGB LED Neon for decorative lighting with a great visual impact. It adapts to various surfaces, providing enormous versatility to bring any design to life. Thanks to its high LED chip density (120 chips/m), it ensures stable and uniform lighting, with a power of 20W/m. Due to its high level of protection, IP67, this product is suitable for outdoor use. It emits light from one of its side faces, allowing for lateral curvature. **The complete kit includes 20 staples + 4 plugs (2 initial and 2 final)**
