

LED desk lamp with 3X magnifying glass - Dimmable - CCT - 8W

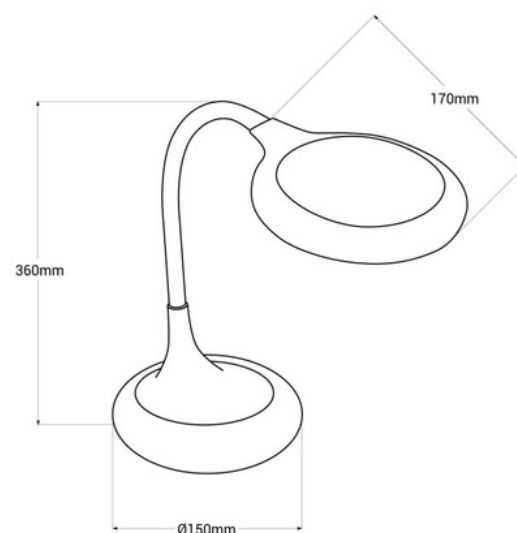

Ref. L1020-B

Our flexo lamp features a 3X magnifying glass and a powerful integrated 8W LED light for clear and optimal vision. It is possible to adjust the color temperature (CCT system) and also the light intensity through its touch system located at the base. Its flexible and "hands-free" design allows you to adjust the position according to your needs. It is perfect for jewelry repairs, crafts, reading, sewing, and detailed projects that require close-up vision.
