

Vintage bellows wall lamp "ROMA" - E27

Wall sconce with expandable bellows in vintage industrial style made of aluminum with high-quality finishes and available in matte black and gold. Inspired by typical workshop wall lights for work areas. Perfect for studies and bedrooms that aim to give an industrial feel to the environment. Its extendable arm and 300° adjustable head allow for wide possibilities to direct the beam of light. It has an E27 socket and a cable that is 1540mm long. The switch is located on the cable. ****Bulb not included****
