

Dimmer SMART WIFI 250W Tuya APP - PUSH

Ref. B704-SPUSH

SMART WIFI Dimmer 250W Tuya APP. This LED dimmer allows us to control the light intensity using a PUSH-type button or through any device that supports the Tuya APP. It is compatible with most dimmable LED lamps. It also works with halogen or electronic transformers and with incandescent lighting as well. Thanks to the TUYA app, it is possible to do wireless voice control with Alexa or Google Home. * A qualified professional and/or advice from our technicians is required for its installation.
