

Aluminium outdoor wall light "Retal" - Adjustable power: 18W-20W-22W - CCT- IP65

Ref. L5071

The aluminum sconce "Retal" features an opal diffuser that ensures even light distribution, and due to its IP65 protection rating, it is suitable for outdoor use. It stands out for its adjustable power between 18, 20, and 22W, allowing you to regulate the light intensity according to the occasion and save energy when needed. In addition, it features CCT technology, allowing you to adjust the color temperature between warm white (3000K), neutral white (4000K), and cool white (5000K).

Product data

Housing color	Black
Certs	CE, ROHS
