

Portable LED RGB "Compi" lamp - Tactile - 3W - IP44

Ref. MU1003

Portable wireless LED lamp, modern and versatile, for indoor and outdoor use. Thanks to its RGB system, it offers 8 fixed color options and a multicolor pattern to create the perfect atmosphere for every occasion. It allows for regulating light intensity. Being touch, its operation is very simple, and also, it charges easily by USB. It adapts to a wide variety of uses: as a night light for babies, as a camping lamp, for outdoor dinners, trips, bedside tables, etc.
