

Bidirectional wall lamp in plaster "COMB" - 2 x E14

Ref. B281

This bidirectional plaster wall lamp "COMB" features an original perforated design, which creates an appealing effect as light passes through. Made of plaster with high-quality finishes, it can be painted in the desired color, allowing for multiple decorative possibilities. Incorporates two E14 sockets that accept bulbs with a maximum power of 40W to provide double-sided lighting. ** Bulbs not included**
