

Linear LED adjustable luminaire for magnetic rail 48V - 6W - UGR16 - White

Linear spotlight for magnetic track with 6W power, featuring a modern design and great versatility. It is easily installed by pressing the base onto the rail, without the need for tools. Its low glare index (UGR16) guarantees high visual comfort for users. In addition, its high color reproduction index (CRI>90) allows colors to be displayed with high fidelity. With a rotation angle of 180°, it allows directing the light to the desired point. Available in black and in two shades: warm white and neutral white.

Product data

Housing color	White (use), Black (use)
