

Black Diffuser for 17mm (2m) LED strip profiles

Ref. BDN17

Black diffuser for 17mm profiles. Installing LED strip profiles with black diffusers will create a decorative effect that will be completely integrated into the wall or ceiling with a fully black finish. If the wall or ceiling is black, when we turn off the LED strip lights, the installation of the profile will not be visible. Valid for the profiles: Aluminum Surface Profiles: 17x8mm (ref: BPERF17X8), 58x9mm (ref: BPERF58X9), 17x15mm (ref: BPERF17X15) Recessed Aluminum Profile: 23x15mm (ref: BPERF23X15), 23x8mm (ref: BPERF23X8),
