

6W

LED spotlight for magnetic rail 48V - 6W - White

The 6W LED spotlight for magnetic track is a state-of-the-art fixture with a modern design, making it the perfect solution for achieving accent lighting. Its installation is very simple; it is done by pressing the base of the product onto the rail, without the need for tools. With a 360° horizontal rotation angle and a 110° vertical angle, it allows directing the beam of light to the desired point. Additionally, due to its high color rendering index (CRI>90), it is capable of displaying colors with high fidelity, similar to natural light. Available in black and in two shades: warm white and neutral white.

Product data

Housing color	White (use), Black (use)
Light temperature	2700°K (use), 4000°K (use)
Certs	CE, ROHS
CRI	90-95
Guarantee	According to legal warranty: 3 years
IP	IP20
Kelvin (K)	4000, 2800
Lumens (Lm)	500
Material	Aluminum
Orientable	Yes
Power (W)	6
Nominal Voltage (V)	48V
Track Type	Magnetic
Key	Warm white, Neutral white
Outdoor Use	No
Service life (h)	25,000
Energy efficiency class	F
Recommended Use	Dining room, Bedrooms, Hotels, Kitchens, Commerce, Living room, Museums - Galleries

360°
