

Female quick connector for IC digital LED strip - 5-24V DC

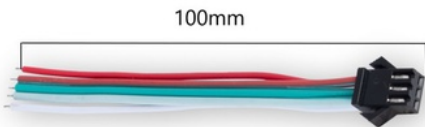

Ref. B1681-H

The female quick connector with 3 pins allows for the connection of 5 to 24V DC digital IC LED strips to devices and controllers, simplifying installation without the need for soldering. Both in domestic, commercial, or entertainment applications, this connector provides a reliable, practical, and efficient connection.

Product data

Certs	CE, ROHS
Frequency of Use	Intensive
Guarantee	According to legal warranty: 3 years
IP	IP20
Material	Plastic
Temperature range	-20°F ~ +40°F
Nominal Voltage (V)	5-24V
Outdoor Use	No
