

## Lateral cover for aluminum profile to be embedded in the floor 36x28mm (1pc)

Lateral cover the 36x28mm aluminum profile to be embedded in the floor. You can choose between: - COVER WITH HOLE: It is installed at the beginning of the profile. It has a hole through which to pass the installation wiring. - CAP WITHOUT HOLE: It is placed at the end of the profile when you finish the installation. This way, everything is closed, and you protect the strip.
