Modern bi-directional LED outdoor wall light "Asas" - 6W - IP54

Ref. L5016

Bidirectional wall light made of black aluminum with high-quality finishes. It features an elegant and contemporary design, easily combinable with different decorative styles. It has two integrated LED lights (Cree chip) of 3W each, providing double-sided illumination in warm white tone (3000K), with a beam angle of 30°. This modern line fixture is ideal for lighting gardens, terraces, or balconies, as well as interior spaces, where it will provide decorative and cozy lighting.
