

Up & down

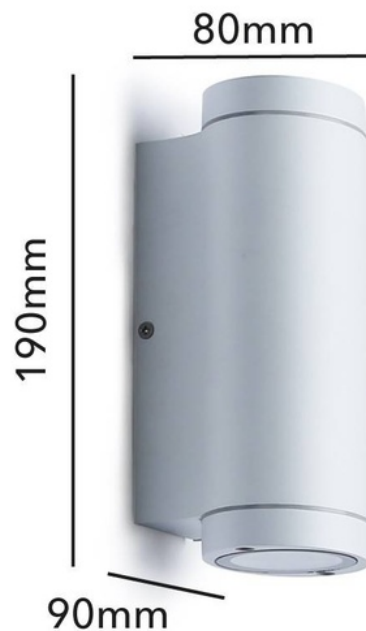

Wall light UP AND DOWN "LIDIA" 2xGU10 IP44

Outdoor wall sconces with double GU10 lamp holders emitting light upwards and downwards. Cylindrical design, modern, elegant, and minimalist. Made of high-quality aluminum in black or white finishes. Lightweight, durable wall lamp with a socket for 2 GU10 bulbs, with a maximum power of 35W. Protection grade IP44, suitable for both outdoor and indoor use. Ideal for installation as outdoor LED lighting in gardens, patios, balconies, or in any indoor space. It emits light in two directions, able to illuminate upwards and downwards or left and right, depending on whether you install it vertically or horizontally. ****LED GU10 bulbs not included****
