

## Design pendant lamp "Nebula" with plug and switch - 1x6W

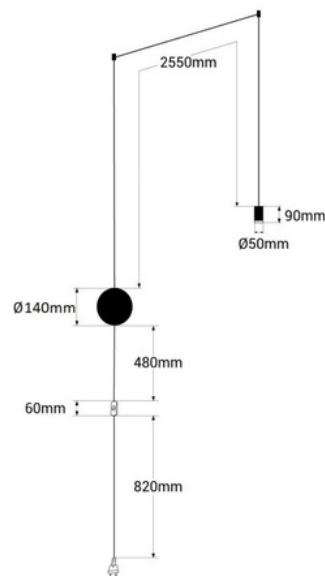

Ref. LN4029-1-N

The "Nebula" hanging lamp is a combination of innovative design and technical functionality. Composed of a thin cable with a 6W LED light at its end and a decentralizing hook, it offers highly efficient lighting in a warm white tone (2800K). Incorporate a high-quality KeGu driver. Versatile and modern, it allows for the customization of its arrangement and shape to create graphic lighting installations with a conceptual character, highlighting the space in an elegant and contemporary way.
