

White and gold Nordic style interior wall lamp "Melissa" 29x25cm

The "Melissa" wall sconce in the shape of an hourglass features asymmetrical lighting. It has subtle metallic finishes and the illumination is adjustable, making it a modern and functional lighting fixture. It requires an E27 bulb, which is not included. Wall sconces are decorative elements that can also provide indirect lighting, creating cozy and warm spaces that evoke a sense of well-being. Our wall sconce will be the perfect piece to add a modern and subtle touch to an indoor space. A wall lamp with a timeless design. An accessory that allows you to enjoy elegant and sophisticated decorative lighting. This sconce requires an E27 socket, which is not included. It has a MAX. power of 40W, with a voltage of 220-240V/AC, IP20.
