

Aluminum profile for LED strip wall washer 18x44mm (2mt)

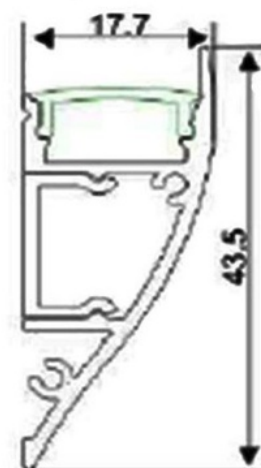

Ref. BPERF18X44

The surface aluminum profile wall washer is a very useful accessory for our LED strips, if we intend to illuminate and highlight objects on walls such as pictures, hanging objects, painted drawings... for example in museums and art galleries, although it can also be used at home. It can also be used as a decorative element or indirect lighting in empty walls. - Diffuser and plugs not included -
