

Shapeable LED spotlight for magnetic track 48V - 10W - 20°-35°

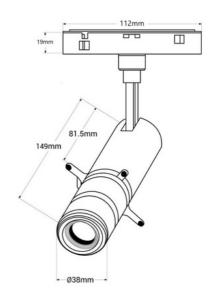

Ref. PMC-SHAP-SDIM-N-BC

The shapeable magnetic track projector of 10W is an innovative solution for highlighting artworks in museums, galleries, exhibition halls, fairs, and other spaces. With integrated blades and zoom focus, it allows for projecting geometric shapes and controlling the sharpness of contours in frames and works of art. Offers both vertical and horizontal rotation.
