Under cabinet LED downlight - 2W 220V AC - IP44

The 2W recessed LED downlight for under furniture and 220V AC is a versatile lighting solution for cabinets or furniture. It features a wide opening angle of 120° and an IP44 protection rating, making it suitable for environments where humidity or splashes of water are common, such as kitchens and bathrooms. Available in warm white (3000K) and neutral white (4000K).
