LED ground recessed beacon 18W - Warm white - Ø21cm - IP67 - 220v

Ref. BA50021-BC

Recessed ground light of 18 W power, specifically designed for outdoor lighting. It features an IP67 protection rating, providing a high level of insulation against external factors such as rain and dust. Thanks to its 30° opening angle, it is ideal for lighting facades or walls, but it is also suitable for illuminating paths, passage areas, patios, terraces, among many other applications. Suitable for pedestrian traffic.
