

Cage wall light with cable and plug "RODEN".

The "RODEN" wall sconce with cable and plug merges the warmth of solid wood with the modernity of metal in a geometric design that captures the essence of Nordic style. Its wire structure creates a fascinating interplay of light and shadow, transforming any space into a cozy and sophisticated environment. This model does not require a power outlet at the installation site, making it easy to use and place. ** Accepts E27 LED bulb - NOT included**
