

LED T8 tube special butcher's shop 60cm 9W

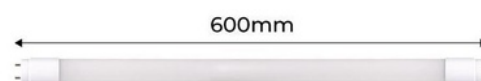

Ref. B4015-60-CAR

LED Tube T8 60cm Special for Butcheries. 9W consumption LED tube, equivalent to 18W of fluorescent tubes. They provide a pink light to enhance the colors of meat products. Thanks to its lighting, we manage to highlight and offer a freshness to the red of the meat. Increase your sales by providing a more succulent and eye-catching meat for the customer, boosting your sales. High-performance and efficiency chip Sanan 2835. Up to 95% efficiency with uniform lighting of over 300 degrees. No stroboscopic effect. Lightweight and safe solution made from high-quality nano plastic and ABS. Perfect for placing in refrigerated areas and all zones where products are displayed, both for illuminating butcher shops, supermarkets, and large surfaces.
