

Wooden wall light with switch and plug "MILA".

Wooden Wall Mounts in retro style. Wall lamp with a practical braided cord, in black and white, and a cord with a switch for conveniently turning the lamp on and off. Made with wood and aluminum, offering a retro minimalist style for any indoor space in the home or business. With IP20 protection rating, the wall sconce is for indoor use only. It is mainly used for lighting hallways, bedrooms, restaurants, study rooms, cafes, hotels, etc. The cable allows for customizable height by winding it around the wooden cylindrical structure. With an E27 socket, the E27 bulb is not included. Ideal for filament bulbs, providing a retro style to the lamp.
