

KUKKA" interior wall light with switch and socket

The indoor wall sconces with plug and switch, from the Kukka lamp family, are designed to match the Nordic decorating trend. An adaptable angle wall lamp, perfect as a decorative lamp for the bedroom, living room, or for decorating restaurants, studios, hotels, shops, etc. With E14 socket and a maximum power of 60W, the bulb is not included. Made of aluminum with a braided cable in black and white. Dimensions are 150mm in width, 180mm in height, and 280mm in depth. Exclusive for indoor use with an IP20 protection rating. **E14 bulb not included**
