

Cage wooden wall light "MICA" Bulb included

Rustic wooden wall sconces that perfectly combine the wooden tripod material with the aluminum of the cage wire, offering an elegant and original vintage, Nordic, and rustic style lamp. When the lamp is turned on, light is emitted through the wire screen, creating a fascinating interplay of light and shadows. Ideal for hallways, stairs, restaurants, bedrooms, and other indoor spaces. Exclusive for indoor use, with an IP20 protection rating. The "MICA" wall sconce features a flexible cable that allows you to customize the height by wrapping it around the wooden structure, with a maximum height of 15cm. E27 socket with a maximum power of 40W. Dimensions of 150x280mm. Included E27 filament bulb 2026K 4.10W
