

"Square 4" outdoor LED wall light - 6W - IP54

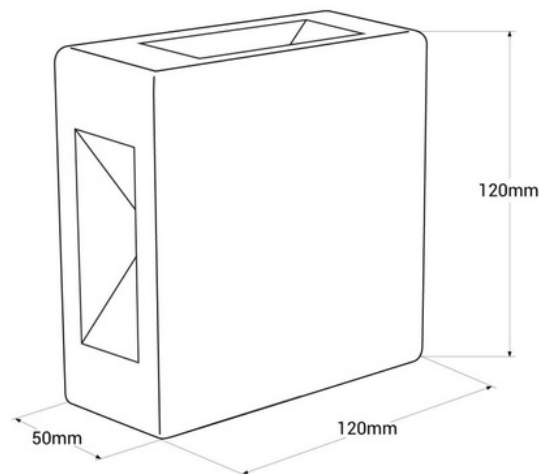

Ref. LN1580-N

Square outdoor wall sconce with a modern and elegant design, made of black polycarbonate with high-quality finishes. It emits light from its four sides, providing immersive and balanced lighting in a warm white tone (3000K). It has a power of 6W and a CRI>90, which allows it to reproduce colors with great fidelity. Perfect for illuminating façades, gardens, terraces, or balconies, where it will provide decorative and cozy lighting.
