

"Square 2" outdoor LED wall light - 3W - IP54 - Two-sided light emission

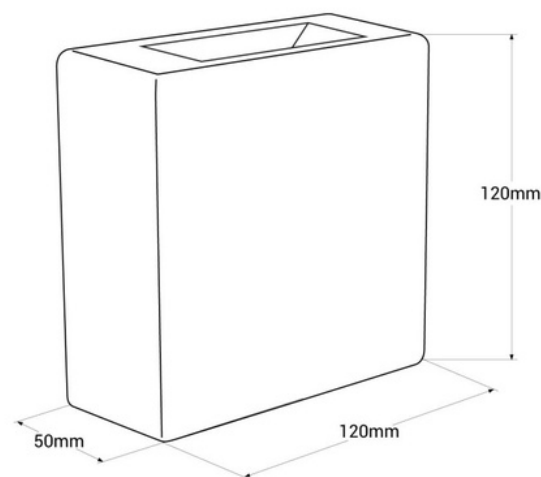

Ref. LN1581-N

Bidirectional outdoor wall sconce with a modern and elegant design, made of black polycarbonate, with high-quality finishes. It emits light from its top and bottom faces, in a warm white tone (3000K). It has a power of 3W and a CRI>90, which allows it to reproduce colors with great fidelity. Perfect for illuminating facades, gardens, terraces, or balconies, where it will provide decorative and cozy lighting.
