

"Karen 2" outdoor square LED wall light - 3W - IP54 - Two-sided light emission

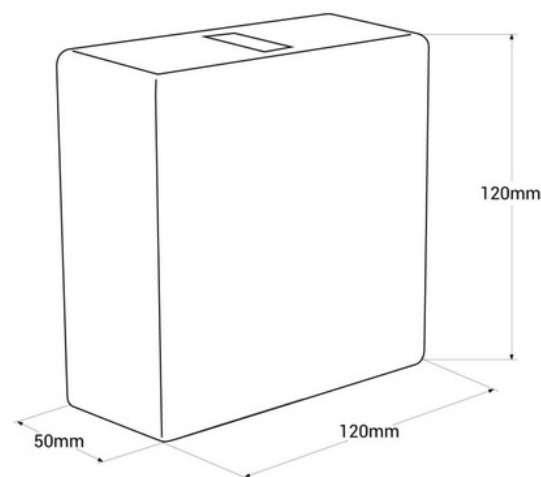

Ref. LN1583-N

Bidirectional outdoor wall sconce with a modern and elegant design, made of black polycarbonate with high-quality finishes. It emits light from its upper and lower faces at a narrow angle, providing mainly decorative lighting in a warm white tone (3000K). It has a power of 3W and a CRI>90, which allows it to reproduce colors with great fidelity.
