## R90 Reflector LED Bulb 10W - E27

✓ LED Bulb R90 ✓ Reflector Bulb ✓ Energy savings of 90% ✓ Power: 10W ✓ Brightness: 1100lm ✓ CRI: 80 ✓ Voltage: 175-250V ✓ Color Temperature: Warm (3000K) - Neutral (4000K)

### Product data

|                         |                                      |
|-------------------------|--------------------------------------|
| Light temperature       | 3000°K, 4000°K                       |
| Opening angle (°)       | 100                                  |
| Cap                     | E27                                  |
| Certs                   | CE, ROHS                             |
| Energy efficiency class | F (2021)                             |
| CRI                     | 80-85                                |
| Dimensions (mm) LxWxH   | 90x126                               |
| Dimmable                | No                                   |
| Efficiency (Lm/w)       | 110                                  |
| Power factor (cosφ)     | 0.9                                  |
| Frequency (Hz)          | 50 - 60                              |
| Guarantee               | According to legal warranty: 3 years |
| IP                      | IP20                                 |
| Kelvin (K)              | 3000, 4000                           |
| Material                | Plastic                              |
| Material diffuser       | Plastic                              |
| Nominal Voltage (V)     | 220 - 240 V AC                       |
| Type of LED             | SMD 2835                             |
| Key                     | Warm white, Neutral white            |
| Outdoor Use             | No                                   |
| Service life (h)        | 25,000                               |
