

LED Panel WIFI SMART RGB / RGBW + CCT - 60x60 cm - 40W

Ref. B5235-RGBW

The SMART RGB / RGBW + CCT WIFI LED panel features a sleek, ultra-thin design and cutting-edge technology that allows it to provide powerful, uniform, and glare-free lighting. It is a high-efficiency fixture that has a power of 40W and a luminous flux of 3500 lumens. Using a remote control or the TUYA app, you can control the panel's lighting, which offers infinite color options by incorporating the RGBW system, as well as three shades of white thanks to its CCT system: warm white, neutral white, and cool white. You can also adjust its intensity from 0.1% to 100%, and you can create color transition programs to achieve stunning effects. ** Remote control included - This model of panel is no longer compatible with Mi-Light remotes and controls**.

Product data

Light temperature	RGB+CW
Certs	CE, ROHS
CRI	80-85
Dimensions (mm) LxWxH	600 x 600 x 10
LED Panel Dimensions	60x60
Dimmable	Yes
Driver	External
Warranty	According to legal warranty: 3 years
IP	IP20
Lumens (Lm)	3500
Material	Aluminum, Polycarbonate
Assembly	Recessed
Power (W)	40
Temperature range	-0°F ~ +30°F
Nominal Voltage (V)	220-240 V
Key	CCT, RGB-W
Outdoor Use	No
Service life (h)	25,000
