

Side cover for surface profile 18x12mm (1pc)

Side cover for the 18x12mm surface profile. Protects the LED strip up to 15mm wide and provides a complete finish to the surface profile. You can choose from : - CAP WITH HOLE: It is placed at the beginning of the surface profile. It has a hole for passing the wiring of the installation. - END CAP: It is installed at the end of the surface profile when you finish the installation. This way, everything is completely closed and you protect the LED strip.
