

Tilting downlight ring for three GU10/MR16 bulbs - Cutout 75 x 235 mm

Recessed triple spotlight made of polycarbonate specially designed to house three GU10/MR16 LED bulbs. It features three adjustable rings that allow the light to be directed to the desired point independently for each bulb. It has an elegant and simple appearance and is available in two colors: white and black. Of great versatility, this recessed ring can be used in both domestic and commercial environments, whether in new construction or to replace existing bulbs. ** Bulbs not included**
